

Specialized Training Opportunities for Adults

Camp Daniel Boone offers **Wilderness First Aid (WFA)** and **CPR** weekly during camp.

WFA

INSTRUCTOR: Dr. David Fitzpatrick, International Wilderness Medicine Educators, LLC (IWME)

COST: \$190.00 per person The price of WFA will not go up but the startling rise in the cost of printing means that paper texts will no longer be provided. Students should bring their tablet or laptop. Paper copies of the 2022 V4 text may be purchased for \$40

CLASS DAY/TIME: Wednesday and Thursday 8a-5p.

LOCATION: Teaching classroom behind the climbing wall at CDB

PREREQUISITE: current (or soon to be obtained) CPR training documentation

REGISTRATION PROCESS:

1. Email dave@iwme.org to get started. Provide your **Name** and **Week** (1-7) attending CDB. IWME will follow up with you for payment and further instructions.
2. Pre-Registration is requested to guarantee your seat and to receive the electronic version of the text to preview before class. If there is enough interest, Dr. Dave will offer an additional class on Monday/Tuesday. IWME will be in touch with you directly if this is the case.
3. Youth are permitted to take this course – age 16 (with exceptions made for mature/Eagle students aged 15 on a case by case basis).
